

Company in the Grave

Marc Mowrey
July 2008

Verse I

Will you be my angel
Will you watch over me?
Send me everything you got
Put all of your prayers on me

Gonna bet the farm on a long shot
I'll be hanging way out there tonight
I don't see any other choice
And I won't go without a fight

Chorus I

Cause if I don't do something soon
I'm going down anyway
Might as well grab at something
A little company in the grave

Verse II

Wandering down Main Street
I can't see a single light
All the shops and bars are closed
Everything is boarded up tight

I'm gonna bust right in to Parson's bank
Time to finally set things right
He took my farm, took my house
Never even seen it twice

Chorus II

Cause if I don't do something soon
I'm going down anyway
Might as well grab at something
A little company in the grave

Verse III

Seen this street a 1000 times
But never through these eyes
Every hair is standing on end
Tonight I'm killing more than time

So will you be my angel
Will you watch over me?
Send me everything you got
Put all of those prayers on me

Chorus III

Cause if I don't do something soon
We're going down anyway
Might as well grab at something
A little company in the grave
Might as well grasp at straws
A little company in the grave
