I=ve waited long enough for you to decide.  
Don=t you think the time has come to make up your mind?  
You say that you just need a bit more time.  
Well, don=t we all but I=m wondering should it be mine?

Ooh, I shouted your name, Ooh, I shouted your name

Time enough has ticked away while you choose a side.  
Did you think I=d wait all night for some cheap little ride?  
I think we=ll come together -- just read the signs.  
Or am I looking down the tracks at parallel lines?

Ooh, I shouted your name. Ooh, I shouted your name.  
You just backed away from the flame. Don=t want to stake your claim?

You walked on and on and on and on.  
You thought on and on and on and on  
You looked on and on and on and on.  
You talked on and on and on and on

SOLO

I=ve waited long enough. I=ve waited long enough.

Given all the time it takes you to cogitate  
Our old friend Sisyphus could reach the gate  
What exactly does it take to be your mate?  
Compared to you the second coming=s not that late

Ooh, I shouted your name. Ooh, I shouted your name.
